

DRAFT GUIDELINE FOR MANUSCRIPT SUBMISSION

1. Original research articles written in Indonesian or English which have been published previously.
2. The article is typed in MS Word version 6 with Times New Roman font 11, single space, maximal 12 pages with margin 2.5 cm from top, bottom, right and left (A4 paper sources) and saved into a CD or DVD or e-mail.
3. Manuscript styles
Research Articles:
Title: simple, typed in capital word except for scientific or latin names in italic. Name of author is written without title (example: I.B. Putra Manuaba) and if author more than one, first author should state first follow by others. Author Affiliation: Address of Department (example: Chemistry Department, FMIPA, Udayana University, Bukit Jimbaran). In general, the contents should comprise of **Abstract** both in Indonesian and English with maximum 250 words accompanied by 3-5 keywords, **Introduction, Material and Methods, Results and Discussion, Conclusion, Acknowledgement and References**
4. All illustrations including figures, charts, and graph must be labeled (in the bottom), numbered (1, 2, 3 etc), and supplied on the text, not as an attachment. The desired placement in the text should be clearly indicated. These illustrations should be referred to and numbered serial, as figures.
5. References on the text should be denoted by giving the name (s) of the author(s) and year of publication as in references list (example: Antitumor activity of sponge extract (Swantara, 2015). All alphabetically ordered references list should be included at the end of the manuscript. All references cited on the text must appear in the references list.
6. References List
 - a. Book: name of author, year published, title, edition, name and place of publisher. Example: Wilman, D.E.V., 1990, *The Chemistry of Antitumor Agents*, 3rd edition, Chapman and Hall, New York.
 - b. Article in the Book: name, author name, year published, article title, name of editor, name of book, and place of publisher, pages. Example: Hiduc, I., and Silvestru, C., 1990, Organometallics In Cancer Chemoteraphy, Gielen, Main Group Metal Chemistry, *Springer Verleg*, Berlin, p.201-217
 - c. Article in Magazines or Journal: name, author initial, year published, name of magazines/journal, volume (series), page. Example: Chen, L.B., 1998, *Ann.Rev.Cell.Biol*, 4, p.155-181
 - d. Translated Book: author name, year published, title, edition, translator name, place and name of publisher. Example: Fessenden, R.J. and Fessenden, J.S., 1994, *Organic Chemistry*, 4th ed., translator Pujatmaka, H., Gramedia, Jakarta.
 - e. Thesis/Disertation: author name, year published, title, article type, name and place of University alumni. Example: Gunawan, R., 2001, Kontribusi Dinamika Reaksi Molekul bagi Tumbukan Reaksi Dua Komponen, *Thesis*, Department of Chemistry, Bandung Institutes of Technology, Bandung.
 - f. Artilce in proceeding: author name, year published, article title, proceeding name, places of proceeding done, page. Example: Green, P.N., Wood, D.C, Dow, C.F., 2000, Status Taxonomi Beberapa Mutagenin in *The 4th Chemistry Conferences Proceeding*, Chemistry Department, Institutes of Agricultures Bogor, Bogor, p.9-16
 - g. Internet: author name, date published, article title, name of website, date of access.

Procedures for submitting article

1. Journal of Chemistry accepts article from outside Chemistry Department, FMIPA, Udayana University
2. Article and CD can be sent directly to editorial offices or email to: jurnalkimiaunud@gmail.com which must follow article submission guideline and manuscript styles that have been stated.
3. Editorial chief will distribute the articles to editor for peer review based on the topic of article.
4. Article without need any revision will be published directly
5. Article with need any revision will resend to author to be revised. The revised article can send back to Journal of Chemistry editorial with stated any revision that has been made
6. The editorial is not responsible for the article content
