WRITING GUIDANCE

1. Journal of Electrical, Electronics and Informatics is issued twice a year, each February and September.
2. Technical paper is an original work none published yet or would be published to other journal.
3. Technical papers could be result from research formatted science or technology, research result, literature review study, methodology study, critical original idea, review of important issue in recent development.
4. Technical paper is written in English. The organization of the paper includes Abstract, Introduction, Research Method, Results and Analysis, Conclusion, Thanks Giving (if any) and Reference. The paper length is maximum 8 pages including tables and figures.
5. Abstract should briefly summarize the essence of the paper and address objective, technology or method, results, conclusions, and clinical impact.
6. Technical paper submitted for publication must advance the state of knowledge and must cite relevant prior work.
7. The paper is written according to the template of IRCS UNUD Journals.
8. All accepted papers should complete and sign the copyright form and publishing agreement form, and sent to jeei@unud.ac.id.
9. Technical paper can be submitted to the site <http://ojs.unud.ac.id/index.php/jeei> or sent to jeei@unud.ac.id.
