

RUANG SPACE

JOURNAL OF THE BUILT ENVIRONMENT

VOLUME 9, NO. 2, OKTOBER 2022

Jurnal RUANG-SPACE mempublikasikan artikel-artikel yang telah melalui proses review. Jurnal ini memfokuskan publikasinya dalam bidang lingkungan binaan yang melingkup beragam topik, termasuk pembangunan dan perencanaan spasial, permukiman, pelestarian lingkungan binaan, perancangan kota, lingkungan binaan etnik dan topik-topik lainnya yang relevan. Artikel-artikel yang dipublikasikan merupakan dokumentasi dari hasil aktivitas penelitian, pembangunan teori-teori baru, kajian terhadap teori-teori yang ada, atau penerapan dari eksisting teori maupun konsep berkenaan lingkungan terbangun. Setiap naskah yang diajukan akan melalui proses review oleh dua orang reviewer.

Ruang-Space dipublikasi dua kali dalam setahun, setiap bulan April dan Oktober, oleh Universitas Udayana.

DEWAN EDITOR

Editor-in-Chief (EIC): Gusti Ayu Made Suartika

Associate Editor: Ni Made Swanendri

Advisory Board (disusun sesuai urutan alfabet):

Abidin Kusno, University of British Columbia, Canada

Josef Prijotomo, Institut Teknologi Surabaya, Indonesia

RUANG SPACE

JOURNAL OF THE BUILT ENVIRONMENT

VOLUME 9, NO. 2, OCTOBER 2022

RUANG-SPACE is a refereed journal which addresses the built environment. It includes publications pertaining to topics on development and planning; human settlements; conservation of the built environment; urban design; ethnic built environment and other related topics. It publishes articles documented as a result of research activities, the development of new theory; study of the existing theories or the implementation of certain conceptual systems. Each submission will be reviewed by at least two reviewers. The Journal is published twice a year, in April and October, by Udayana University.
